Exempel:

*My name is Mary and I come from Sweden. I am ten years old.
 I live with my family in Motala. We are six people in my family.
 My mother's name is Marie, she is thirty-five years old.
 My father's name is Tom, he is forty years old.
 I have one sister and two brothers.
 My sister's name is Sue, she is twelve years old and she loves listening to music.
 My brothers names are Jim and Frank.
 Jim is nine years old and Frank is fourteen years old. They love to play football or videogames.
 We also have a pet. It's a cat called "Missan", it's very cute and friendly.
 My grandparents on my mother's side are John and Karen, they live in Stockholm. Karen comes from England, she came to Sweden when she was twenty-two years old.
 We visit them every summer holiday and they spend Christmas with us.
 My grandparents on my fathers side are Sandra and Martin, they live in Motala. Sometimes I go to them after school.*
